

## Select Project List

### Goshen Multi-Use Trail, Elkhart Co, IN

Completed Section 106 Compliance for the construction of a one-mile multi-modal trail.

### Wayne Co Bridge 197 Photo Documentation

Produced photo documentation following the appropriate standards as issued by the Indiana DNR.

### Shieldstown Covered Bridge

Conducted Section 106 Compliance for a proposed rehabilitation of an 1876 Burr Arch covered bridge in Jackson Co, IN.

### Greenfield Residential Historic District

H&H successfully completed a National Register application of this district, which included 441 properties.

### City of Logansport Comprehensive Plan

H&H provided historic preservation planning recommendations that were included in Logansport's 2009 Comprehensive Plan.

### City of Hammond Cemetery Development Plan

H&H created CDPs for two Hammond Cemeteries in support of local pedestrian trail improvement projects.

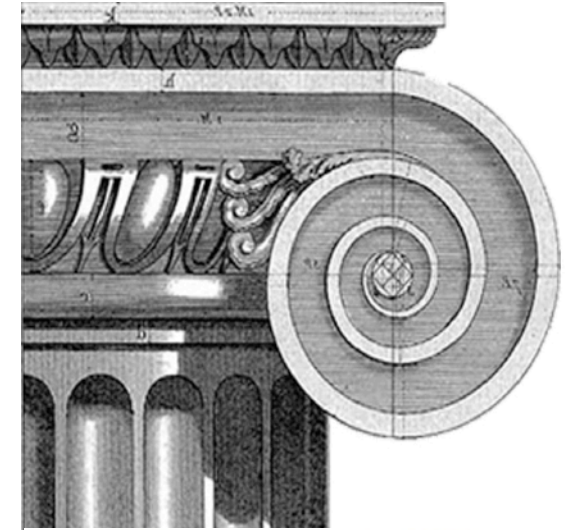

Our clients include a variety of environmental and engineering firms, non-profit organizations, and governmental bodies. Since founded in 2008, H&H has successfully completed over thirty Section 106 projects all across Indiana that range in scope from bank relocations and cellular phone towers, to large-scale transportation undertakings involving multiple state and federal agencies. In each case H&H Associates completed the task on time or even ahead of deadline. And because we are a small business, we typically charge less than our competitors.
